GENERAL PERSONNEL POLICY

It is the policy of the Northwest Bergen County Utilities Authority (the “Authority” or “NBCUA”) to treat employees and prospective employees in a manner consistent with all applicable employment laws and regulations. The personnel policies and procedures of the Authority shall apply to all employees, volunteers, officials (elected or appointed) and independent contractors. In the event there is a conflict between these rules and any collective bargaining agreement, personnel services contract, or Federal or State law, the terms and conditions of that contract or law shall prevail. In all other cases, these policies and procedures shall prevail.

All employees, officers and Department Heads shall be appointed and promoted by the Commissioners of the Authority. No person shall be employed or promoted unless there exists a position created by a resolution adopted by the Authority as well as the necessary budget appropriation.

The Executive Director and all managerial/supervisory personnel are authorized and responsible for personnel policies and procedures. The Authority has appointed the Administrative Assistant to assist the Executive Director implement personnel practices. The Executive Director and Administrative Assistant shall also have access to the Attorney appointed by the Authority for guidance in personnel matters.

As a general principle, the Authority has a “no tolerance” policy towards workplace wrongdoing. Authority officials, employees and independent contractors are to report anything perceived to be improper. The Authority believes strongly in an Open Door Policy and encourages employees to talk with their supervisor, Department Head, Executive Director, and Administrative Assistant.

The Personnel Policies and Procedures Manual adopted by the NBCUA is intended to provide guidelines covering public service by Authority employees and is not a contract. This manual contains many, but not necessarily all of the rules, regulations, and conditions of employment for Authority personnel. The provisions of this manual may be amended and supplemented from time to time without notice and at the sole discretion of the Authority.

To the maximum extent permitted by law, the employment practices of the Authority shall operate under the legal doctrine known, as “employment at will.” Within Federal and State law, and any applicable bargaining unit agreement, the Authority shall have the right to terminate an employee at any time and for any reason, with or without notice.

SECTION ONE - Policies Relating to Employee Rights and Obligations

Anti-Discrimination Policy

The Authority is committed to the principle of equal employment opportunity and anti-discrimination pursuant to Title VII of the 1964 Civil Rights Act, as amended by the Equal Opportunity Act of 1972, and the New Jersey Law Against Discrimination, as amended by the New Jersey Pregnant Worker's Fairness Act ("LAD"). Under no circumstances will the Authority discriminate on the basis of sex, race, creed, color, religion, national origin, ancestry, age, marital or political status, affectional or sexual orientation, domestic partnership status, civil union status, atypical heredity, cellular or blood trait, genetic information, disability (including AIDS or HIV infection), pregnancy (including pregnancy related medical condition), childbirth, liability for service in the United States armed forces, gender identity or expression, and/or any other characteristic protected by law. Decisions regarding the hiring, promotion, transfer, demotion or termination are based solely on the qualifications and performance of the employee or prospective employee. If any employee or prospective employee feels they have been treated unfairly, they have the right to address their concern with their supervisor, or if they prefer their Department Head, Executive Director or the Administrative Assistant.

Americans with Disabilities Act Policy/New Jersey Pregnant Worker's Fairness Act

In compliance with the Americans with Disabilities Act, the ADA Amendments Act and the New Jersey Law Against Discrimination, as amended by the New Jersey Pregnant Worker's Fairness Act ("LAD"), the Authority does not discriminate based on disability, pregnancy, pregnancy related medical condition or childbirth. The Authority will endeavor to make every work environment handicap accessible and all future construction and renovation of facilities will be in accordance with applicable barrier-free Federal and State regulations and the Americans with Disabilities Act Accessibility Guidelines, as well as the ADA Amendments Act.

It is the policy of the Authority to comply with all relevant and applicable provisions of the Americans with Disabilities Act, the ADA Amendments Act and LAD. We will not discriminate against any qualified employee or job applicant with respect to any terms, conditions, or privileges of employment on the basis of a known or perceived disability, pregnancy, childbirth or pregnancy related medical condition. We will also make reasonable accommodations to known physical or mental limitations of all employees and applicants with disabilities or pregnant, provided that the individual is otherwise qualified to safely perform the essential functions of the job and also provided that the accommodation does not impose undue hardship on the Authority.

The Executive Director or his/her designee shall engage in an interactive dialogue with disabled/pregnant employees and prospective disabled/pregnant employees and/or their

respective physicians to identify reasonable accommodations. All decisions with regard to reasonable accommodation shall be made by the Executive Director. The Americans with Disabilities Act does not require the Authority to offer permanent “light duty”, relocate essential job functions, or provide personal use items such as eyeglasses, hearing aids, wheelchairs, etc. Employees who are unable to safely perform the essential functions of their job even with a reasonable accommodation shall be subject to separation from employment. Accommodations which impose an undue burden upon the Authority are not considered “reasonable.”

Employees should also offer assistance, to the extent possible, to any member of the public who request or needs an accommodation when visiting Authority facilities. Any questions concerning proper assistance should be directed to the Executive Director.

Contagious or Life Threatening Illnesses Policy

The Authority encourages employees with contagious diseases or life-threatening illnesses to continue their normal pursuits, including work, to the extent allowed by their condition. The Authority shall make reasonable accommodations to known physical and mental limitations of all employees, provided that the individual is otherwise qualified to safely perform the essential functions of the job and also provided that the accommodation does not impose an unreasonable hardship on the Authority. The Authority will take reasonable precautions to protect such information from inappropriate disclosure, including the following:

- Medical information may be disclosed with the prior written informed consent of the person who is the subject of the information.
- Information may be disclosed without the prior written consent to qualified individuals for the purpose of conducting management audits, financial audits, and program evaluations, but these individuals shall not identify, either directly or indirectly, the person who is the subject of the record in a report or evaluation, or otherwise disclose the person’s identity in any manner. Information shall not be released to these individuals unless it is vital to the audit or evaluation.
- Information may be disclosed to the Department of Health as required by State or Federal law.

Managers and other employees have a responsibility to maintain the confidentiality of employee medical information. Anyone inappropriately disclosing such information shall be subject to disciplinary action.

Safety Policy

The Authority will provide a safe and healthy work environment and shall comply with the Public Employees Occupational Safety and Health Act (“PEOSHA”). The Authority is equally concerned about the safety of the public. Consistent with this policy, employees will receive periodic safety training and will be provided with appropriate safety equipment. Employees are responsible for observing safety rules and using available safety devices including personal protective equipment. Failure to do so constitutes grounds for disciplinary action. Any

occupational or public unsafe condition, practice, procedure or act must be immediately reported to the supervisor or Department Head. Any on-the-job accident or accident involving Authority facilities, equipment or motor vehicles must also be immediately reported to the supervisor or Department Head.

Transitional Duty Policy

The Authority will endeavor to bring employees with work-related temporary disabilities back on the job as soon as possible and may, but is not required to, assign transitional duty to employees who temporarily cannot perform the essential functions of their positions because of injury or illness. Transitional duty is not guaranteed and will not exceed 60 workdays. If a department already has one (1) employee on transitional duty, it is unlikely that another employee from that department will be assigned transitional duty.

An employee requesting transitional duty or the Workers' Compensation Physician shall notify the Executive Director as soon as the temporarily disabled employee is able to start their transitional duty assignment, if one is offered. Transitional duty will only be assigned if it is more likely that not that the employee will be able to perform the essential functions of his or her permanent position after the transitional duty period. Transitional duty assignments may be in any department and not just the employee's normal department. The Executive Director will decide if it is in the best interest of the Authority to approve a transitional duty request and will notify the employee of the decision. The Authority reserves the right to terminate the transitional duty assignment at any time without cause.

Employees may not refuse transitional duty assignments. In such cases, failure to report to work as directed shall constitute immediate grounds for dismissal. If the employee believes that the transitional duty assignment is beyond the employee's abilities, the employee may request a meeting with the Executive Director who will render a written response within twenty-four (24) hours.

Employees on transitional duty will receive their regular salaries and are prohibited from engaging in any outside employment of any kind unless they receive prior written approval from the Executive Director. If transitional duty is approved, the employee or Workers Compensation Physician must keep the Executive Director informed of the medical progress. If at the end of transitional duty period the employee is not able to return to his or her permanent position without restrictions, the Authority reserves the right at its sole discretion to extend the transitional duty or place the employee back on Workers Compensation or disability. This policy does not affect an employee's rights under the Americans with Disabilities Act, the Family and Medical Leave Act, the Fair Labor Standards Act, the Contagious or Life Threatening Illnesses Policy or other Federal or State law.

Drugs and Alcohol Policy

The Authority recognizes that the possession, sale, transfer, distribution, solicitation, manufacture or use of unlawful drugs and/or abuse of prescription medications and/or abuse of

alcohol pose a threat to the health and safety of all employees. The Authority has adopted a Drugs and Alcohol policy which is appended to this Manual.

Workplace Violence Policy

The Authority will not tolerate workplace violence. Violent acts or threats made by an employee against another person or property are cause for immediate dismissal and will be fully prosecuted. This includes any violence or threats made on Authority property, at Authority events or under other circumstances that may negatively affect the Authority's ability to conduct business.

Prohibited conduct includes:

- Physically striking another person;
- Causing physical injury to another person;
- Making threatening remarks;
- Aggressive, hostile, or bullying behavior that creates a reasonable fear of injury to another person or subjects another individual to emotional distress;
- Intentionally damaging employer property or property of another employee;
- Possession of a firearm while on Authority property or while on Authority business except with the authority of the Police Chief; and
- Committing acts motivated by, or related to, sexual harassment or domestic violence.

Any potentially dangerous situations must be immediately reported. The Authority will actively intervene in any potentially hostile or violent situation.

General Anti-Harassment Policy

It is the Authority's policy to prohibit harassment of an employee by another employee, management representative, supplier, volunteer, or business invitee on the basis of actual or perceived sex, race, creed, color, religion, national origin, ancestry, age, marital or political status, affectional or sexual orientation, domestic partnership status, civil union status, atypical heredity, cellular or blood trait, genetic information, disability (including AIDS or HIV infection), gender identity or expression, liability for service in the United States armed forces, and/or any other characteristic protected by law. Harassment of non-employees by our employees is also prohibited. While it is not easy to define precisely what harassment is, it includes slurs, epithets, threats, derogatory comments, unwelcome jokes, teasing, caricatures or

representations of persons using electronically or physically altered photos, drawings, or images, and other similar verbal written, printed or physical conduct.

If an employee is witness to or believes to have experienced harassment, immediate notification of the supervisor or other appropriate person should take place. See the Employee Complaint Policy.

Harassment of any employees, in connection with their work, by non-employees may also be a violation of this policy. Any employee who experiences harassment by a non-employee, or who observes harassment of an employee by a non-employee should report such harassment to the supervisor. Appropriate action will be taken against any non-employee.

Notification of appropriate personnel of any harassment problem is essential to the success of this policy and the Authority generally. The Authority cannot resolve a harassment problem unless it knows about it. Therefore, it is the responsibility of all employees to bring those kinds of problems to attention of the appropriate officials so that steps are taken to correct them.

Violation of this harassment policy will subject employees to disciplinary action, up to and including immediate discharge.

The Authority agrees to provide a training program for harassment in the workplace for all employees. Such training shall be provided by a consultant experienced with the policies of the State of New Jersey and/or by the New Jersey Joint Insurance Fund (NJJIF).

Anti-Sexual Harassment Policy

It is the Authority's policy to prohibit sexual harassment of an employee by another employee, management representative, supplier, volunteer, or business invitee. The Authority prohibits sexual harassment from occurring in the workplace or at any other location at which Authority sponsored activity takes place. Sexual harassment of non-employees by our employees is also prohibited. The purpose of this policy is not to regulate personal morality or to encroach upon one's personal life, but to demonstrate a strong commitment to maintaining a workplace free of sexual harassment.

Unwelcome sexual advances, requests for sexual favors and other verbal, physical or visual conduct of a sexual nature constitute harassment when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- Submission to or rejection of such conduct by an individual is used as the basis for an employment decision affecting the individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment.

Regarding unwelcome sexual advances toward non-employees, requests for sexual favors and other verbal, physical or visual conduct of a sexual nature constitute harassment when:

- Submission to such conduct is made either explicitly or implicitly in exchange for a benefit;
- Submission to or rejection of such conduct by an individual is used as the basis for a decision affecting the individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's activities or creating an intimidating, hostile or offensive environment.

Sexual harassment may include unwanted sexual advances; offering employment benefits in exchange for sexual favors; visual conduct (leering, making sexual gestures, displaying of sexually suggestive objects or pictures, cartoons or posters); verbal sexual advances, propositions or requests; verbal abuse of a sexual nature; graphic verbal commentaries about an individual's body; sexually degrading words used to describe an individual; suggestive or obscene letters, caricatures or representations of persons using electronically or physically altered photos, drawings, or images; notes or invitations; and/or, physical conduct (touching, assault, impeding or blocking movements).

If an employee is witness to or believes that the employee has experienced sexual harassment, they must immediately notify their supervisor or other appropriate person. See Employee Complaint Policy.

Harassment of Authority employees, in connection with their work, by non-employees may also be a violation of this policy. Any employee who experiences harassment by a non-employee, or who observes harassment of an employee by a non-employee should report such harassment to their supervisor. Appropriate action will be taken against any non-employee.

Notification by employee to appropriate personnel of any harassment problem is essential to the success of this policy and the Authority generally. The Authority cannot resolve a harassment problem unless it is reported. Therefore, it is the responsibility of all employees to bring those kinds of problems to the attention of management so that steps are necessary to correct them.

Violation of this sexual harassment policy will subject employees to disciplinary action, up to and including immediate discharge.

“Whistle Blower” Policy

Employees have the right under the Conscientious Employee Protection Act (“CEPA”) to complain about any activity, policy or practice that the employees reasonably believe is in violation of a law, rule, or regulation promulgated pursuant to law without fear of retaliation or reprisal. This right shall be communicated to all employees in an annual letter outlining the specific employee complaint procedure and in a posted notice. A written acknowledgement that the employee received, read, and understood this letter will be included in the employee's official

personnel file. The annual notice shall be in English and Spanish and must contain the name of the person who is designated to receive written notification of policies or practices that might violate CEPA. This right will also be communicated in the Employee Handbook. All complaints will be taken seriously and promptly investigated.

The Authority shall not take any retaliatory action or tolerate any reprisal against an employee for any of the following:

- Disclosing or threatening to disclose to a supervisor, Department Head, the Executive Director, other official or to a public body, as defined in the Conscientious Employee Protection Act (N.J.S.A. 34:19-1, et seq.) an activity, policy or practice that the employee reasonably believes is in violation of a law, a rule or regulation promulgated pursuant to law;
- Providing information to, or testifying before any public body conducting an investigation, hearing, an inquiry into any violation of law, or a rule or regulation promulgated pursuant to law; or
- Objecting to, or refusing to participate in any activity, policy, or practice that the employee reasonably believes is a violation of a law, rule or regulation promulgated pursuant to law; is fraudulent or criminal; or is incompatible with a clear public policy mandate concerning the public health, safety, or welfare.

In accordance with the statute, the employee must bring the violation to the attention of his/her supervisor. However, disclosure is not required where (1) the employee is reasonably certain that the violation is known to one or more officials; (2) where the employee reasonably fears physical harm; or (3) the situation is emergency in nature. Employees are encouraged to complain in writing using the Employee Complaint form. See Employee Complaint Policy. Under the law, the employee must give the Authority a reasonable opportunity to correct the activity, policy or practice. The administration of whistleblower complaints is not subject to the limitations in the Grievance Policy.

Employee Complaint Policy

Employees who observe actions they believe to constitute harassment, sexual harassment, or any other workplace wrongdoing should immediately report the matter to their supervisor, or, if they prefer, or do not think that the matter can be discussed with their supervisor, they should contact the Department Head, Human Resources Officer or the Executive Director. Reporting of such incidents is encouraged both when an employee feels that he or she is subject to such incidents, or observes such incidents in reference to other employees. Employees should report incidents in writing using the Employee Complaint form, but may make a verbal complaint at their discretion. If the employee has any questions about what constitutes harassment, sexual harassment, or any other workplace wrongdoing, they may ask their supervisor or one of the individuals listed above. All reports of harassment, sexual harassment, or other wrongdoing will

be promptly investigated by a person who is not involved in the alleged harassment or wrongdoing.

No employee will be penalized in any way for reporting a complaint. There will be no discrimination or retaliation against any individual who files a good faith harassment complaint, even if the investigation produces insufficient evidence to support the complaint, and even if the charges cannot be proven. There will be no discrimination or retaliation against any other individual who participates in the investigation of a complaint.

If the investigation substantiates the complaint, appropriate corrective and/or disciplinary action will be swiftly pursued. Disciplinary action up to and including discharge will also be taken against individuals who make false or frivolous accusations, such as those made maliciously or recklessly. Actions taken internally to investigate and resolve harassment complaints will be conducted confidentially to the extent practicable and appropriate in order to protect the privacy of persons involved. Any investigation may include interviews with the parties involved in the incident, and if necessary, with individuals who may have observed the incident or conduct or who have other relevant knowledge. The complaining employee will be notified of a decision at the conclusion of the investigation within a reasonable time from the date of the report an incident.

Grievance Policy

For purposes of this Policy, a “grievance” is any formal dispute concerning the interpretation and application of this Manual. Examples of matters which may be the cause of a grievance appropriate under this policy include:

1. A belief that Authority policies, practices, rules, regulations or procedures have been applied in a manner detrimental to the employee; or,
2. Improper or unfair administration of employee benefits or conditions of employment, such as scheduling, vacation, benefits, promotions, retirement, holidays, performance evaluation, salary or seniority.

A grievance under this Policy shall not include matters which concern the Authority’s Anti-Discrimination, General Anti-Harassment Policy, Anti-Sexual Harassment Policy or Whistleblower Policy, which shall solely and exclusively be handled within the procedures set forth in such policies.

A grievance under this Policy shall not include matters which concern the interpretation, application and enforcement of a collective bargaining agreement, which shall solely and exclusively be handled pursuant to the terms of the applicable collective bargaining agreement.

All grievances must be presented within five (5) calendar days after arising and failure to report a grievance within such time shall be deemed as a waiver of the grievance.

Step One: Any employee with a grievance shall verbally communicate the grievance to his or her supervisor, who will discuss the matter with the Superintendent (or his/her designee). The supervisor will communicate the decision to the employee within ten (10) calendar days.

Step Two: If the employee is not satisfied with the decision, the employee must submit a written grievance to the Executive Director (or his/her designee), detailing the facts and the relief requested. The decision in Step One will be deemed final if the employee fails to submit a written grievance within five (5) calendar days of the Step One decision. After consulting the Authority's labor and employment counsel, as appropriate, the Executive Director (or his/her designee) will render a written decision to the employee within fifteen (15) calendar days after receipt of the written grievance. This decision shall be final and may not be adjudicated in any other forum.

In the event of a resolution or decision that results in a determination of monetary liability, such liability shall be paid not less than sixty (60) calendar days after the final adjudication of the grievance.

No employee will be penalized for filing a grievance in good faith. However, any employee who knowingly: 1) makes false statements of fact; 2) omits or fails to disclose material information; or, 3) engages in conduct intended to disrupt, delay or obstruct any portion of this Grievance Procedure, including filing baseless or meritless grievances, shall be subject to disciplinary action, up to and including termination of employment.

Access to Personnel Files Policy

The official personnel file for each employee shall be maintained by the Administrative Assistant. Personnel files are confidential records that must be secured in a locked cabinet and will only be available to authorized managerial and supervisory personnel on a need-to-know basis. Records relating to any medical condition will be maintained in a separate file. Electronic personnel and medical records must be protected from unauthorized access. Any employee may review their file in the presence of the Administrative Assistant or the Executive Director upon reasonable notice.

Conflict of Interest Policy

Employees including Authority officials must conduct business according to the highest ethical standards of public service. Employees are expected to devote their best efforts to the interests of the Authority. Violations of this policy will result in appropriate discipline including termination.

The Authority recognizes the right of employees to engage in outside activities that are private nature and unrelated to Authority business. However, business dealings that appear to create a conflict between the employee and the Authority's interests are unlawful under the New Jersey Local Government Ethics Act. Under the Act, certain employees and officials are required to

annually file a state mandated disclosure form. The Authority Administrative Assistant will notify employees and Authority officials subject to the filing requirements of the Act.

A potential or actual conflict of interest occurs whenever an employee including an Authority official is in a position to influence an Authority decision that may result in a personal gain for the employee or an immediate relative including a spouse or significant other, child, parent, stepchild, sibling, grandparents, daughter-in-law, son-in-law, grandchildren, niece, nephew, uncle, aunt, or any person related by blood or marriage residing in an employee's household. Employees are required to disclose possible conflicts so that the Authority may assess and prevent potential conflicts. If there are any questions whether an action or proposed course of conduct would create a conflict of interest, immediately contact the Executive Director to obtain clarification.

Employees are allowed to hold outside employment as long as it does not interfere with their Authority responsibilities. Employees are prohibited from engaging in outside employment activities while on the job or using Authority time, supplies or equipment in the outside employment activities. The Executive Director may request employees to restrict outside employment if the quality of Authority work diminishes. Any employees who holds an interest in, or is employed by, any business doing business with the Authority must submit a written notice of these outside interests to the Executive Director.

Employees may not accept donations, gratuities, contributions or gifts that could be interpreted to affect their Authority duties. Under no circumstances accept donations, gratuities, contributions or gifts from a vendor doing business with or seeking to do business with the Authority or any person or firm seeking to influence Authority decisions. Employees are required to report to the Executive Director any offer of a donation, gratuity, contribution or gift including meals and entertainment that is in violation of this policy.

Political Activity Policy

Employees have exactly the same right as any other citizen to join political organizations and participate in political activities, as long as they maintain a clear separation between their official responsibilities and their political affiliations. Employees are prohibited from engaging in political activities while performing their public duties and from using Authority time, supplies or equipment in any political activity. Any violation of this policy must be reported to the supervisor, Department Head, Executive Director, Administrative Assistant or the Authority Attorney

Employee Evaluation Policy

The supervisor (Superintendent, Administrative Assistant or Executive Director) may complete a written evaluation and appraisal form for every employee not covered by the Collective Bargaining Agreement to measure progress and to encourage self-improvement. The evaluation will also record additional duties performed, educational courses completed as well as a plan to correct any weak points using the Employee Counseling form. After completing the evaluation,

the supervisor will review the results with the employee and return the form(s) with the signed acknowledgement to the Executive Director. After review by the Executive Director, the form(s) are to be forwarded to the Administrative Assistant for inclusion in the employee's official personnel file. As a part of the evaluation, employees have the right to request a conference with the Executive Director or Administrative Assistant.

Major disciplinary action includes termination, disciplinary demotion or suspension. Minor discipline includes a formal, written reprimand or a suspension. Employees who object to the

terms or conditions of the discipline are entitled to a hearing under the applicable grievance procedure. In every case involving employee discipline, employees will be provided with an opportunity to respond to charges either verbally or in writing.

In cases of employee misconduct, the Authority believes in corrective action for the purpose of correcting undesirable behavior and preventing a recurrence of that behavior. The corrective action taken will be related to the gravity of the situation, the number and kind of previous infractions and other circumstances. In every case, employees will be given an opportunity to state the situation from their point of view.

In order to correct undesirable behavior, supervisors and managers may utilize the following corrective tools: verbal reprimand; written reprimand; suspension and dismissal. At the discretion of the Authority, action may begin at any step, and/or certain steps may be repeated or by-passed, depending on the severity and nature of the infraction and the employee's work/disciplinary record.

Notice of appeal from discharge must be made to the Executive Director, in writing, within five (5) working days (Monday through Friday) from the date of the discharge.

The inadvertent failure to discipline or discharge in any particular instance shall not be deemed a waiver of the Authority's right with respect to future instances, or as a precedent for other instances involving the same or other employees or conduct.

Neither this manual nor any other Authority guidelines, policies or practices create an employment contract. Employment with the Authority may be terminated at any time with or without cause or reason by the employee or Authority.

Resignation Policy

Resignation is a voluntary action of an employee notifying the Authority of intent to leave his/her position. All employees are required to give two (2) weeks' notice to the Executive Director or his/her designee prior to their voluntary termination of employment. This notice shall be a condition precedent to the employee's entitlement to any unused and accumulated vacation or sick leave. Notices of resignation are considered final and binding by the Authority; the Authority is under no obligation to accept or honor an employee's attempt to rescind a resignation once submitted.

After giving notice of resignation, employees are expected to assist their supervisor and co-employees by providing information concerning their current projects and help in the training of a replacement. During the last two weeks, the employee may not use paid time off except paid holidays. The Department Head will prepare an Employee Action form showing any pay or other money owed the employee. The Authority will conduct a confidential exit interview to discuss benefits including COBRA options, appropriate retirement issues and pay due. A COBRA notification letter will be sent to the employee's home address. The exit interview will also include an open discussion with the employee. On the last day of work, and prior to receiving the final paycheck, the employee must return the Employee Identification Card, all

keys and equipment. At this time, the employee will sign the termination memo designating all money owed and this memo will be retained in the official personnel file.

Work Force Reduction/Seniority Policy

After the probationary period, seniority shall be determined upon the length of service with the Authority from the original date of hire.

To the extent allowed by New Jersey statutes, court decisions and reported decisions of the Public Employment Relations Commission, the Authority agrees that, given equal qualifications as determined at the sole discretion of the Authority, the more senior of equally qualified candidates should receive the promotion.

The Authority shall notify all employees of layoff, simultaneously with posting of any vacancy on the bulletin board, to facilitate all members of the bargaining unit having the opportunity to apply for promotions. To the extent allowed by New Jersey statutes, court decisions and reported decisions of the Public Employment Relations Commission, the parties agree that given equal qualifications, as determined at the sole discretion of the Authority, the most senior employee on layoff shall be given preference, even over a more senior employee still working at the Authority. Employees on layoff shall have five (5) calendar days from receipt of the notice to indicate their interest in the vacancy by phone, registered or certified mail, but in no event later than ten (10) calendar days after posting and sending of notice. The same form of notice shall be served upon employees on layoff as the notice posted. Such notice shall set forth the title of the job to be filled, anticipated hours of work and days of relief, the rate of pay and an outline of duties, as well as the person to contact.

When a job vacancy occurs in a job classification, a notice of such vacancy shall be posted on the applicable bulletin board and sent to employees on layoff for ten (10) calendar days. Employees interested in obtaining the job may bid for same by submitting a completed Personnel Action Form and any other information on their qualifications within the ten (10) calendar day posting period.

It is understood and agreed that the Authority has the exclusive right to terminate or otherwise discipline any employees who are on a temporary basis or who are within their probationary period and in such event said employees shall have no recourse to any of the provisions within this Agreement nor shall they have any specific recourse to the grievance procedure.

Seniority and the employees' rights shall be terminated and lost for any of the following reasons:

- a. when an employee quits;
- b. when an employee is discharged;
- c. when an employee is laid off for a continuous period of twelve (12) months;
- d. when an employee fails to return upon expiration of leave of absence;
- e. accepting other employment when on a requested leave of absence;
- f. if an employee fails, on recall from lay-off, to comply with notice and reporting requirements following the receipt of notification of recall; and,

- g. except for extraordinary circumstances, when an employee is absent for three (3) consecutive working days without reporting. (It is understood, of course, that it is necessary for an employee to make an immediate report of any absence from work.)

All layoffs shall be in the inverse order of seniority, i.e., the last person hired shall be the first person laid off; provided, however, that the senior employee has the demonstrated ability to immediately perform the available work to the sole satisfaction of the Authority.

In the event of a recall, employees shall be called back in seniority order, i.e., the last person laid off shall be the first person recalled; provided, however that the recalled employee(s) have the demonstrated ability to perform the available work to the sole satisfaction of the Authority. The laid off employees shall be given notice of recall by registered or certified mail, sent to the address last given to the Executive Director or his/her designee by the employee. It shall be the responsibility of the employee to keep the Executive Director or his/her designee informed of the employee's current address and telephone number. Within five (5) calendar days after receipt of the notice, the employee must notify the Executive Director or his/her designee by telephone, or registered or certified mail, of his/her intent to return to work, and must actually report on the date specified in the recall notice, unless it is mutually agreed, in writing, that the employee need not return to work within said time or in the event that the recall notice is for another period. Every attempt shall be made to give at least one (1) week's notice of recall before the actual reporting date. In the event the employee fails to comply with these requirements, he/she shall lose all seniority rights under this Agreement and shall be considered as a voluntary quit.

With respect to Bargaining Unit Employees, the Authority shall have the right to temporarily transfer employees for a period not to exceed sixty (60) working days, in which event and during which time the employee shall receive the higher rate of pay for either the new job or the employee's old job. Said person may be extended for as long as the Authority is making a good faith effort to permanently fill the job. The transfer does not cover intermittent or short-term (ten (10) working days or less) assignments.

The Authority shall submit a seniority list of bargaining unit employees to the Chief Shop Steward on an annual basis, unless there is a change.

Driver's License Policy

Any employee whose work requires that the operation of Authority vehicles must hold a valid New Jersey State Driver's License.

All new employees who will be assigned work entailing the operating of an Authority vehicle will be required to submit to a Department of Motor Vehicles driving records check as a condition of employment. A report indicating a suspended or revoked license status may be cause to deny or terminate employment.

Periodic checks of employee's drivers' licenses through visual and formal Department of Motor Vehicles review checks shall be made by the Authority. Any employee who does not hold a valid driver's license will not be allowed to operate an Authority vehicle until such time as a valid license is obtained.

Any employee performing work which requires the operation of an Authority vehicle must notify the immediate supervisor in those cases where a license is expired, suspended or revoked and/or who is unable to obtain an occupational permit from the State Department of Licensing. An employee that fails to report such an instance is subject to disciplinary action, including demotion or termination. An employee who fails to immediately report such revocation or suspension to their supervisor and continues to operate an Authority vehicle shall be subject to possible termination.

Any information obtained by the Authority in accordance with this section shall be used by the Authority only for carrying out its lawful functions and for other lawful purposes in accordance with the Driver's Privacy Protection Act (18 U.S.C. § 2721, et seq.)

Each employee will be permitted two (2) paid personal business days in any one (1) calendar year upon prior notice and authorization from the Executive Director or his/her designee. Permission will be reasonably given based upon the work schedules and plant operations.

Personal business is limited to business and personal affairs of the employee, not otherwise excused, that cannot be accomplished other than during the employee's normal work hours. These days may not be accumulated and must be used within the calendar year. Employees will not be compensated for personal business days not used. After completing six (6) months of employment with the Authority, full-time employees shall be eligible to use their two (2) personal business days. Those employees whose date of employment is later than March 31 will be permitted to carry the personal days to the following year in their first year of employment.

Up to three (3) sick days *may* be taken in any one (1) calendar year for personal business under the conditions set forth above.

Sick Leave Policy

After completing six (6) months of employment with the Authority, full-time employees shall be allowed sick leave at the rate of one (1) day for each completed calendar month worked. Sick leave is available as set forth herein whenever an employee is required to be absent from work for a bona fide sickness or illness. Sick leave shall not be interpreted as including a period where the employee serves in the role of a nurse or housekeeper during an illness of another member of the family.

In all cases wherein an employee requests a sick leave or day, the Authority reserves the right to send a doctor to examine and report on the conditions of the employee or, in its discretion, to require the employee to visit a physician designated by the Authority.

Whenever an absence due to sickness or illness: (1) exceeds three (3) successive work days; or, (2) is on a day immediately before or after scheduled days off or holidays or other days not worked; or, (3) occurs when an employee is scheduled to work on a weekend or holiday, the employee may be required to produce a physician's verification of said illness. In its discretion, the Authority reserves the right to have the employee examined by a physician before returning to duty. The Authority's right to demand a doctor's note to verify sick leave will not be exercised arbitrarily, capriciously, discriminatorily, or in bad faith.

Every absence on account of illness or disability in excess of three (3) successive working days must be certified by a written statement from a physician, using the form provided by the Authority. The Authority reserves the right to waive this requirement or to require the employee to be examined by a physician of the Authority's choice before the employee may return to work.

In case of a prolonged illness beyond accumulated sick leave, the Authority will continue its payments to the New Jersey State Health Benefits Plan and Extended Sickness Benefit Plan to a maximum of one (1) year from the date accumulated sick leave was exhausted, provided the employee is on an authorized medical leave. An applicable collective bargaining unit within the Authority may request that payments be continued beyond the maximum one (1) year period which may be granted in the sole discretion of the Authority.

A request for medical leave shall be in writing and submitted to the Executive Director of the Authority together with the appropriate medical proof of illness. The Authority shall consider each such request on a case by case basis.

The grant of a request for an extension of benefits and/or a medical leave shall not be a waiver of the Authority's discretionary right to deny a request in any subsequent instance(s).

Accumulated Sick Leave Policy

Sick leave not used may be accumulated (saved for the future). Sick leave neither accumulated nor used will be compensated for at the normal base pay, without premium rates, by January 15 of the following calendar year.

In addition to the above, any employee who does not use sick leave, including converting sick leave to personal leave, during the calendar year will be paid one (1) full day's pay in the first (1st) regular pay check of the next calendar year.

When a full-time employee has accumulated the maximum of sixty (60) days of sick leave, he/she shall be compensated at his/her normal base pay for the number of sick leave days in excess of sixty (60) days not used. In the event of an employee's death, payment for all accumulated sick leave up to sixty (60) days will be paid at the employee's base rate, without premium rate, to the employee's estate.

Authorized Time Off

In order to receive authorized time off with full or partial pay, the employee must have previously filed (except for Death in the Family which shall be addressed below), in writing, on the appropriate NBCUA form by written letter and receive prior authorization from the Executive Director or designee. Authorized time off shall include the following:

Death in the Family

If there is a death in the employee's immediate family, the employee will be excused from work up to three (3) calendar days without a loss of pay, one (1) of which shall be the day of funeral or the actual day of death, whichever the employee chooses. It is the intention of this provision to make sure an employee has three (3) bereavement days off without loss of pay. If an employee cuts short a scheduled vacation on account of the death, the employee shall be entitled to reschedule the remaining portion of the vacation in the same manner as other compensatory days. Immediate family shall be limited to spouse or significant other, children, step-children, mother, step-mother, father, step-father, brother, sister, nephew, niece, mother-in-law, father-in-law, sister-in-law, brother-in-law, the maternal and/or paternal grandparents of the employee and his or her spouse/significant other, and grandchildren of the employee and/or his/her spouse/significant other. An employee shall be entitled to three (3) bereavement leave days in addition to any other regular time-off from work scheduled at the time when a death in the

employee's immediate family occurs. In order to be eligible for bereavement leave, the employee must fill out and submit a bereavement leave request form with his/her supervisor, subsequent to the leave being taken.

Jury Duty Policy

An employee called upon to serve as a juror will receive the difference between the jury payment and the employee's regular pay for a normal work week, upon presentation of satisfactory proof of the amount received from jury duty. To allow sufficient time for the Authority to schedule a replacement, jury notices are to be presented to the employee's supervisor or the Executive Director as soon as received but in no instance less than two (2) weeks before the date the employee is supposed to commence jury or military service, unless the employee did not receive two weeks' notice. Employees who do not provide this required notice will still be excused but will not receive payment under this Article.

Civic Duties

In the event of a serious emergency (not routine calls) an employee may be excused without a reduction in pay from his regular duties if he/she is a member of a local volunteer fire department, auxiliary police force, or ambulance corps. In order to qualify for this provision, the employee's services must be required by the commander of the unit involved. Said request shall be made to the Plant Superintendent.

Because the efficient operating of the Plant is also vital to the public health, all employees who wish to offer their time to voluntary fire, police and ambulance services must supply the Authority with some proof (such as a letter) from the head of such voluntary service acknowledging the active participation of the employee. The employee shall be required to notify the voluntary services of his or her work schedule at the Authority so that the service will first call other volunteers and avoid calling the employee away from duty. No employee, while on duty, may leave his/her post or position for a civic matter without the express prior authorization of the Executive Director or designee. Failure to receive such authorization and leaving their post/position will result in immediate termination from the Authority's employ.

Leave of Absence Policy

A leave of absence without pay may be requested by any employee who will submit in writing all facts bearing on the request to the Executive Director, who will consider each request on its merits, without establishing a precedent. No leave of absence without pay will initially be granted for more than three (3) months (90 calendar days).

In the event a second (2nd) leave of absence is requested, the procedures applying to such request shall be the same as in the case of a first request. No leave of absence shall be granted to any employee that totals more than six (6) months (180 calendar days) leave in any twelve (12) month period.

During leaves of absence, credits shall not accrue for sick leave, vacation time, and other benefits as well as other leaves of absence without pay, except for leaves of absence for military or other purposes if provided by statute.

Family and Medical Leave Act Policy

Employees may be eligible for an unpaid family and medical leave under the federal Family and Medical Leave Act (“FMLA”). Employees also may be eligible for family and/or medical leave pursuant to the New Jersey Family Leave Act (“FLA”). In order to be eligible for such leave, employees must have: one (1) year of service with the Authority; and, at least 1,000 hours of work (for New Jersey leave) and 1,250 hours of work (for Federal leave) during the previous twelve (12) months and is employed at a worksite where 50 or more employees are employed by the employer within 75 miles of the worksite (for Federal leave). Eligible employees may receive up to twelve (12) weeks of leave per year (FMLA) or twelve (12) weeks every twenty-four (24) months (FLA).

During the leave period, the employee’s health benefits will be continued on the same conditions as coverage would have been provided had the employee been employed continuously during the entire leave. The employee will not continue to accrue vacation, sick or personal days for the period of the leave. The employee will receive seniority credit for the time that the employee has been on leave under this section. At the conclusion of the leave period, an eligible employee is entitled to reinstatement to the position the employee previously held or to an equivalent one with the same terms and benefits that existed prior to the exercise of leave.

Upon written notice, eligible employees are entitled to a family or medical leave for up to twelve weeks to care for a newly born or adopted child or a seriously ill immediate family member, including civil union partner, or for the employee’s own serious health condition that makes the employee unable to perform the functions of the employee’s position. Eligible employees who take leave under this policy must use all accrued available vacation and personal days during the leave. The use of accrued time will not extend the leave period. After exhausting accrued time, the employee will no longer be paid for the remainder of the leave.

The period of leave must be supported by a physician’s certificate. An extension past twelve weeks can be requested, but medical verification of the need must be submitted prior to the expiration of the leave. The Authority reserves the right to deny any request for extended leave. Additional information concerning the Family Leave Policy and eligibility requirements are available from the Human Resources Officer.

Commencing July 1 2009, Family Temporary Disability (“FTD”) payments for up to six (6) weeks in a twelve (12) month period will become available for eligible employees who are caring for a seriously ill immediate family member who is incapable of self-care or care of a newborn or adopted child. To be eligible, the employee must have worked at least 20 weeks at minimum wage within the last 52 weeks or earned 1000 times the minimum wage. The weekly benefit is 2/3 of weekly compensation up to a maximum of \$524 per week (this amount is subject to change). FTD will run concurrently with FMLA and/or FLA leaves and there is a one week

waiting period. Employees may also be required to use accrued sick, vacation or personal leave for up to two weeks.

Employees taking paid family leave in connection with a family member's serious health condition may take leave intermittently or consecutively. Intermittent leave is not available for the care of a newborn or adopted child. Intermittent leave may be taken in increments necessary to address the circumstances that precipitated the need for leave. An employee seeking intermittent paid family leave is required to provide the Authority with 15 days' notice unless an emergency or other unforeseen circumstance precludes prior notice. The employee seeking intermittent leave shall make a reasonable attempt to schedule leave in a non-disruptive manner. Employees requesting such leave shall provide the Authority with a regular schedule of days for intermittent leave.

Employees may also be eligible for an unpaid leave for up to twenty-six (26) workweeks in a year to care for a family member on active duty in the military or a covered veteran (a covered veteran is an individual who was discharged or released under conditions other than a dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran) with a serious injury or illness incurred in the line of duty on active duty for which the service member is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, or up to twelve (12) weeks in a year for a qualifying exigency. A qualifying exigency occurs when a military member is called to covered active duty (requires deployment to a foreign country) and a close member of his/her family must attend official ceremonies or family support or assistance meetings, there is a short-notice deployment, to attend to childcare matters, attend to financial and/or legal matters, or counseling. A serious injury or illness means an injury or illness incurred by a covered servicemember in the line of duty on active duty that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating.

A serious injury or illness also means an injury or illness that was incurred by the covered veteran in the line of duty on active duty in the Armed Forces or that existed before the veteran's active duty and was aggravated by service in the line of duty on active duty, and that is either:

1. a continuation of a serious injury or illness that was incurred or aggravated when the veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating; *or*
2. a physical or mental condition for which the veteran has received a U.S. Department of Veterans Affairs Service-Related Disability Rating (VASRD) of 50 percent or greater, and the need for military caregiver leave is related to that condition; *or*
3. a physical or mental condition that substantially impairs the veteran's ability to work because of a disability or disabilities related to military service, or would do so absent treatment; *or*

4. an injury that is the basis for the veteran's enrollment in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

Any *one* of these definitions meets the FMLA's definition of a serious injury or illness for a covered veteran regardless of whether the injury or illness manifested before or after the individual became a veteran.

Upon employer's request, an employee must provide a copy of the covered military member's active duty orders to support request for qualifying exigency leave. In addition, upon an employer's request, certification for qualifying exigency leave must be supported by a certification containing the following information:

- statement or description of appropriate facts regarding the qualifying exigency for which leave is needed;
- approximate date on which the qualifying exigency commenced or will commence;
- beginning and end dates for leave to be taken for a single continuous period of time;
- an estimate of the frequency and duration of the qualifying exigency if leave is needed on a reduced scheduled basis or intermittently; and
- if the qualifying exigency requires meeting with a third party, the contact information for the third party and description of the purpose of the meeting.

Eligible employees may also take leave to care for a military member's parent who is incapable of self-care when the care is necessitated by the member's covered active duty. Such care may include arranging for alternative care, providing care on an immediate basis, admitting or transferring the parent to a care facility, or attending meetings with staff at a care facility.

Employees who request qualifying exigency leave to spend time with a military member on Rest & Recuperation may take up to a maximum of fifteen (15) calendar days. Upon an employer's request, an employee must provide a copy of the military member's Rest and Recuperation leave orders, or other documentation issued by the military setting forth the dates of the military member's leave.

Domestic Violence Leave Policy

The New Jersey Security and Financial Empowerment Act, also known as the "NJ SAFE Act," provides protection for employees and their family members who have been the victim of domestic violence or sexual assault. Employees are entitled to twenty (20) days of unpaid protected leave from work to:

- Seek medical attention for physical or psychological injuries;
- Obtain services from a victim services organization, pursue psychological or other counseling;
- Participate in safety planning for temporary or permanent relocation;

- Seek legal assistance to ensure health and safety of the employee or the employee's relative; or
- Attend, participate in, or prepare for a criminal or civil court proceeding relating to an incident of domestic or sexual violence.

To be eligible for the leave, an employee must meet the following criteria:

- The employee or their child, parent, spouse or domestic partner must be a victim of domestic violence or a sexually violent offense;
- The employee must have worked for the employer for at least twelve months and for at least 1,000 hours during the twelve (12) month period immediately preceding the requested leave; and
- The twenty (20) day leave must be taken within one (1) year of the qualifying event.

Employees may take leave on an intermittent basis but such leave cannot be shorter than one (1) full day. To the extent the leave is foreseeable, employees must provide advance notice. In addition, employee seeking leave must provide proof that they qualify for the leave. Such proof may include a restraining order, letter from a prosecutor, proof of conviction, medical documentation or a certification from an agency or professional involved in assisting the employee.

In certain circumstances, the basis for the leave may also qualify under the federal Family and Medical Leave Act and/or the New Jersey Family Leave act. If so, the Authority will treat the leave concurrently with the leave under those statutes. Employees may be required to use accrued paid vacation leave, personal time or sick leave concurrently.

The Authority shall protect the privacy of employees who seek leave by holding the request for leave, the leave itself or the failure to return to work "in the strictest confidence."

The Authority shall not retaliate, harass or discriminate against any employee exercising his/her right to take the leave provided by this policy.

Military Leave Policy

When a full-time employee (either permanent or temporary) who is a member of the reserve component of any United States armed force or the National Guard of any state including the Naval Militia and Air National Guard is required to engage in field training or is called for active duty, the employee will be granted a military leave of absence for the duration of the service. The first thirty (30) workdays of the leave shall be with full pay except that a member of the New Jersey National Guard shall receive full pay for the first ninety (90) days. Thereafter, the leave shall be without pay but without loss of time. The paid leave will not be counted against any available time off including but not limited to vacation, sick or personal time. A full-time temporary employee who has served less than one-year shall not be entitled to paid leave but shall be granted non-paid military leave without loss of time.

To allow sufficient time for the Authority to schedule a replacement, military orders are to be presented to the employee's supervisor or the Executive Director as soon as received but in no instance less than two (2) weeks before the date the employee is supposed to commence military service, unless the employee did not receive two weeks' notice. Employees who do not provide this required notice will still be excused but will not receive payment under this Policy.

During military leaves of absence, credits shall accrue for sick leave, vacation time, and other benefits.

Employees on military service will also continue to receive paid health insurance coverage during the period of the paid leave plus an additional thirty days calendar days after the paid leave is exhausted. After this period has expired, employees may continue coverage for themselves or their dependents under the Authority group plan by taking advantage of the COBRA provision. Members of the State administered retirement systems (PERS and PFRS) will continue accruing service and salary credit in the system during the period of paid leave.

Pursuant to the Uniformed Services Employment and Reemployment Rights Act, any employee released from active duty under honorable circumstances shall return to work without loss of privileges or seniority within the following time limits: for service less than thirty-one (31) calendar days, the employee must return to work on the beginning of the first regularly scheduled workday or eight (8) hours after the end of military duty, with reasonable allowances for commuting; for service of thirty-one (31) to one hundred eighty (180) calendar days, the employee must submit an application for reinstatement within fourteen (14) calendar days after completing military duty; for service greater than one hundred and eighty (180) calendar days, the employee must submit an application for reinstatement within ninety (90) calendar days after completing military duty.

SECTION FOUR - Compensation & Employee Benefits Policies

Pay Period and Paycheck Distribution

All employees, plant and office, are paid every second (2nd) Friday. Base pay will include the Saturday prior to pay day.

If a holiday falls on a scheduled payday, the preceding Thursday will be the payday.

The normal workweek for Office Personnel shall consist of five (5) working days from Monday through Friday. Working hours are 8:30 AM to 4:30 PM with a one (1) hour lunch period resulting in a 35 hour work week. Office Personnel may vary these hours during the summer months of July and August, with approval of the Executive Director providing the work week is no less than 35 hours.

Because of the nature of the Authority's operations, coverage must be maintained 24 hours a day, 7 days a week. Plant personnel shall work a 40 hour week with working hours defined by the Collective Bargaining Agreement.

The Authority will not accept responsibility for any employee's personal finances. The Authority will acknowledge judgments against an employee's pay, but will not act as a mediator between the employee and creditors.

Credit Information & Wage Assignments

Only information about employees that is classified as "public record" is made available to those making credit inquiries. All other requests for information, other than verification of employment, must be made in writing.

All employees are expected to pay their creditors when due. If employees fall behind on their credit payments, court ordered garnishments of wages may occur. If this happens, the Authority is legally required to deduct a portion of the employee's salary from his/her paycheck and forward it to the creditors.

Time Reporting

Accurate and complete attendance records shall be maintained by the Authority. These records are the official records used to determine the employee's eligibility for pay benefits.

Each hourly employee is required to submit a Time Sheet for the pay period prior to pay day. This record includes any absences or overtime that an employee has incurred during the pay period.

Overtime Compensation Policy

For hourly employees overtime work shall be compensated at the rate of one and one-half (1 ½) times the employee's normal base rate of pay for all hours worked in excess of the normal work week for that employee's position, provided such extra hours are worked in the same normal pay week, being defined as Sunday through Saturday. For hourly employees in the collective bargaining unit, please refer to the Collective Bargaining Agreement.

Hourly employees may request compensatory time off equal to the amount of time actually worked. The compensatory time off would be equivalent to time and one-half (1 ½). The Authority retains the sole discretionary right to grant such a request and the granting of such a request in any one instance is not a waiver of the Authority's sole discretionary right to deny a request in any subsequent instance(s). The accumulation of compensatory time is hereby discontinued. Employees who are granted compensatory time must utilize it by the conclusion of the following payroll period in which the time is granted or it will be paid by the Authority.

In computing overtime compensation the nearest one-half of an hour shall be the smallest fraction of an hour to be reported and paid.

In the event of a holiday, an authorized vacation day or an illness which causes the employee to be absent, these days will be counted as time worked to compute overtime. Personal time off (PTO) and accumulated holiday time (AHT) will NOT count as time worked in the computation of overtime.

Under the Federal Fair Labor Standards Act, certain employees in managerial, supervisory, administrative, computer and professional positions are exempt from the provisions of the Act. The Administrative Assistant shall notify all exempt employees of their status under the Act. Exempt employees are not eligible to receive overtime compensation and are required to work the normal workweek and any additional hours needed to fulfill their responsibilities. Time off consideration for large amounts of additional hours may be provided with the Executive Director's prior approval and at the sole discretion of the Executive Director.

All other employees are classified as Non-Exempt and are subject to the provisions of the Act. Depending on work needs, Non-Exempt employees may be required to work overtime. Rules governing overtime and overtime compensation are detailed in the Collective Bargaining Agreement.

Health Insurance Policy

The Authority, being a participant in the New Jersey State Health and Dental Benefits Plan, offers all employees and their dependents benefits under this system. Enrollment shall include the employee's family, as defined by the Plan. Drug Prescription coverage is also provided to the extent covered by the health benefit plan. In order to be eligible, an employee must work at least thirty-five (35) hours per week on a regular basis.

Premiums for these insurance programs shall be borne by the Authority, subject to employee contributions (including applicable retirees) required by Ch. 78, P.L. 2011, effective July 1, 2014.

Prescription Eye Glasses Benefit Policy

The Authority will reimburse an employee up to Four Hundred Dollars (\$400.00) annually for the purchase of one (1) pair of prescription eyeglasses and a related eye examination for replacements of the same only, due to damage or loss while on duty.

Retirement Policy

Under State law, all employees must enroll in the New Jersey Public Employee Retirement System or the Police and Fire Fighters Retirement System as applicable. The employee's contribution to the Plan will be deducted from the employee's pay. An employee who has completed the required number of years and who has reached the required age under the Plan may retire by notifying the Department Head in writing. The State retirement plans request six (6) months' advance notice to process the application. After giving notice of retirement, employees are expected to assist their supervisor and co-employees by providing information concerning their current projects and help in the training of a replacement. The Department Head will prepare an Employee Action form showing any pay or other money owed the employee. The Administrative Assistant will conduct a confidential exit interview to discuss benefits including COBRA options, appropriate retirement issues and pay due. A COBRA notification letter will be sent to the employee's home address. The exit interview will also include an open discussion with the employee. On the last day of work, and prior to receiving the final paycheck, the employee must return the Employee Identification Card, all keys and equipment. At this time, the employee will sign the termination memo designating all money owed and this memo will be retained in the official personnel file.

Workers' Compensation Policy

Employees who are injured while working must make an immediate report of such injury to the Supervisor. All injuries, no matter how slight they may be, must be reported within four (4) hours after the injury. All injuries incurred in or arising out of the course of employment shall be subject to Worker's Compensation Law of the State of New Jersey. Any employee who on any day is unable to complete a full day's work because they suffered an accident within the course and scope of their employment shall receive full pay for eight (8) hours on that day, seven (7) hours for administrative staff employees.

The Authority covers workers compensation benefits through its membership in a joint insurance fund. All required medical treatment must be performed by a Workers Compensation Physician appointed by the joint insurance fund and payment for unauthorized medical treatment may not be covered pursuant to the Act.

An employee absent because of an injury arising out of his employment shall continue to receive his wages as long as the injured employee endorsed over to the Authority his/her temporary disability check received by reason of said injury. Such salary continuation shall be up to a maximum of six (6) months from the date of injury. An applicable collective bargaining unit within the Authority may request an extension beyond a six (6) month period which may be granted in the sole discretion of the Authority.

Employee Assistance Policy

The Northwest Bergen County Utility Authority participates in the Bergen County Employee Assistance Program (EAP). The EAP provides confidential assessments, referrals, and monitoring to employees for such personal matters as family and marital relations, legal or financial difficulties, substance abuse, and other problems. The EAP has proven to be an important and successful health personnel service for all county employees and municipal employees in nine towns.

Three major classes of referrals for the EAP include substance abuse, psychological or family, and legal. For additional information contact the Bergen County Office of Alcohol & Drug Dependency, 327 East Ridgewood Avenue, Paramus, NJ 07652 • Phone (201) 634-2740.

Educational Assistance and Tuition Policy

All bargaining unit employees seeking payment for license and trade incentives in accordance with Articles 22 and 23 of the Collective Bargaining Agreement, effective January 1, 2017, shall bear all the costs for obtaining and/or maintaining said licenses. The Authority shall pay no costs/fees whatsoever nor shall reimbursement be permitted. The Authority will allow paid time off to obtain/maintain such licenses when requested in writing to the Superintendent at least ten (10) calendar days in advance of such time off and so long as the time off does not interfere with Authority operations as determined by the Authority or create an overtime opportunity for other bargaining unit members.

Upon approval of the Superintendent and/or Executive Director, employees may apply for reimbursement of tuition expenses incurred for training or college courses directly related to the employee's work. The Executive Director will be the sole judge of whether a particular course or program is "directly related" to the employee's work. Employees are strongly urged to obtain this determination before enrolling in a course or program.

Employees may receive reimbursement for up to 100 percent (100%) of the tuition cost for training or college courses that they take on their own initiative. The reimbursement must be repaid if the employee leaves Authority employment within twenty-four (24) months of receipt.

Conference and Seminar Policy

Requests to attend a conference or seminar must be approved by the Department Head and the Superintendent. Requests shall be made sufficiently in advance to take advantage of discounts for early registration. Requests must be in writing including the conference schedule, registration information and estimated costs. The Department Head is responsible to detail all training requests during the budget formulation process. Approval of any conference or seminar request is conditioned upon the availability of funds.

Where positions are advertised, the media or other periodical utilized must have as wide circulation as possible to encourage applications from candidates from diverse backgrounds and must prominently state that the Authority is an equal opportunity employer.

Records and documents created during the hiring process are confidential and must be retained in a locked cabinet.

Background Checks and Procedures for Candidates, Employees and Volunteers

- **Background checks required:** Background checks are required of all candidates, whether for paid or volunteer positions, working directly or indirectly with the Authority.
- **Background check procedure:** The Authority will initiate background checks and be the recipient of reports from outside agencies or contractors. The Administrative Assistant will discuss disqualifying information received with the Superintendent or Executive Director. Written information received as a result of a "Request for Criminal History Record Information for a Noncriminal Justice Purpose" will be destroyed immediately after it has served its authorized purpose, as required by the State Police. Such information will be kept confidential and will not be published or disclosed in any manner not consistent with the procedures listed herein. Such information will not be deemed a public record under P.L. 1963, c.73 (C:47:1A-1, et seq.) as amended and supplemented by P.L. 2001, c.404 (C:47:1A-5, et seq.).

The Administrative Assistant will inform the candidate, volunteer, or employee, in writing, of any information that would disqualify the person from working for the Authority. If the Authority contracts with an outside vendor to process the background checks, that contractor may be authorized to inform the person in writing of any information that would disqualify the person from working for the Authority. Existing employees or volunteers will be placed on immediate suspension pending the outcome of a hearing or appeal. Employee suspensions may be with or without pay at the discretion of the Executive Director.

- **Conditions Under Which An Employee Will Be Disqualified From Working for the Authority:** A candidate, volunteer, or employee may be disqualified from employment in a position if that person's criminal record history background check reveals a record of conviction of any of the following crimes and disorderly persons offenses as defined by New Jersey law or by analogous laws in other States:

- Robbery (N.J.S.A. 2C:15)
- Theft (N.J.S.A. 2C:20)

A disqualification from any position will be based only on a conviction for one or more of the above disqualifying crimes and offenses. An acquittal, a dismissal, successful completion of Pre-Trial Intervention (PTI), or an expungement of a criminal offense, including a disqualifying criminal offense, is not a disqualifying conviction.

Nepotism Procedure

Unless otherwise provided by law or collective bargaining unit agreements, immediate relatives shall not be hired, promoted or transferred to a regular full-time or regular part-time position where:

- One relative would have the authority to appoint, remove, discipline or evaluate the performance of the other;

For purposes of this policy, immediate relative includes spouse or significant other, child, parent, stepchild, sibling, grandparents, daughter-in-law, son-in-law, grandchildren, niece, nephew, uncle, aunt, or any person related by blood or marriage residing in an employee's household.

Such request must be granted. Prior to the discussion by the governing body or any body of the Authority concerning such matters, the Board Secretary shall notify the affected person(s) of the meeting date, time and place, the matters to be discussed and the person's right to request that the discussion occur in open session. Initial Employment Period Procedure

Except where State requirements direct otherwise, new employees (or present employees transferring to new positions) will be hired subject to an initial employment period of not less than 180 days. During this initial employment period, the new employee or transferee will be provided with training and guidance from the supervisor. At the end of the initial employment period, the supervisor will conduct an employee evaluation – see Performance Evaluation Procedure. New employees may be discharged at any time during this period if the Authority concludes that the employee is not progressing or performing satisfactorily. Under appropriate circumstances, the Executive Director may extend the initial employment period. (Newly hired employees are not eligible for payment of paid time off except holidays until the successful completion of the initial 180 day employment period.)

Nothing in the procedure set forth in this section shall alter the Authority’s employment at will policy. Employment with the Authority is at will and may be terminated at any time with or without cause or notice by the Authority or the employee.”

Employee Handbook Procedure

The Administrative Assistant with the assistance of the Authority Attorney shall draft an Employee Handbook for the approval of the Executive Director. A separate version of the Handbook will be drafted for part-time and seasonal employees as well as for major bargaining groups if appropriate. Once approved, copies will be distributed and employees will be required to sign an acknowledgement of receipt that will be placed in the official personnel file. The Handbook will be revised and re-distributed whenever there is a significant change in personnel practice or every two years.

Performance Evaluation Procedure

Performance discussions must provide employees with guidance regarding their ability to meet job standards. Extraordinary skills or abilities should be recognized in addition to areas for improvement. Supervisors should review future training needs and career planning. The reviewer should also encourage the employee to make suggestions about how the department can improve. The reviewer should ask employees for feedback regarding the employee’s skills as they relate to communication, team building, delegation, and sensitivity to needs of subordinates. Open communication is the key to improvement.

- **Setting the Stage:** The reviewer must create a productive climate for the discussion. In preparing the evaluation form, prior evaluations should be reviewed to identify trends. Employees must be notified in advance of the meeting and should be given a copy of the blank evaluation form. The meeting should be private without interruptions in a comfortable environment.

- **Confirm Expectations:** The reviewer should start the discussion of each performance area by reviewing expectations. Ask the employee to confirm the employee's understanding of job requirements. Refer to the job description as appropriate.
- **Rating:** Continue the discussion by giving the employee's rating in each performance area. The supervisor should be prepared to refer to documentation. Employees should be evaluated based on set standards, not as they compare to other employees. It is rare that any person's rating in all areas is either high or low. The evaluation should consider performance during the entire period, not just the recent past. Care should be taken to avoid allowing one aspect of a person's performance to overshadow all other performance factors be it positive or negative. Ideally, each performance area should be evaluated individually based on specific behaviors exhibited.
- **Discussing Future Plans:** This is where the reviewer should turn to the discussion to the future performance and development of the employee. A Counseling Action Plan form must be completed if any item is rated "Needs Improvement" or "Does Not Meet Minimum Standards." Specific performance goals must be established for the next review period along with plans for achieving those goals.
- **Closing the Discussion:** When all performance areas have been discussed, close the discussion by summarizing all of ratings in an overall rating for the review period.

It is crucial that all reviewers complete the evaluation forms with care and with complete candor. Although reviewers are encouraged to set forth areas of strength and utilize tact in presenting criticism, it is important that all performance issues of any significance be addressed thoroughly and in unambiguous terms in the evaluation form, and verbally with the employee.

Exceeds Expectations means consistently exceeds established standards in most areas of responsibility. All requirements must be met and objectives achieved above the established standards.

Meets Job Requirements means all job requirements were met and planned objectives accomplished within established standards. There were no critical areas where accomplishments were less than planned.

Needs Improvement means performance in one or more critical areas does not meet expectations. Not all planned objectives were accomplished within the established standards and some responsibilities were not completely met.

Does Not Meet Minimum Standards means performance is unacceptable and important objectives have not been accomplished. Needs immediate improvement.

After completing the evaluation, the reviewer will return the form(s) with the signed acknowledgement to the Executive Director. After review by the Executive Director, the form(s)

are to be forwarded to the Administrative Assistant for inclusion in the employee's official personnel file. As a part of the evaluation, employees have the right to request a conference with the Executive Director.

Disciplinary Action Procedure

All employees are expected to meet the Authority's work performance standards. The intent of the Disciplinary Action Procedure is to formally document problems and provide the employee with a reasonable time to improve performance. The process should encourage development by providing employees with guidance in areas that need improvement such as poor work performance, attendance problems, personal conduct, general compliance with the Authority's policies and procedures and other disciplinary problems.

Should a supervisor believe that an employee is not conforming to the Authority's policies and rules or to specific instructions, or has acted improperly, the supervisor will first privately discuss the matter with the employee to obtain the employee's view. If the supervisor determines that the employee has acted improperly, the supervisor shall take one of the following actions depending upon the gravity and the employee's past record. At the discretion of the supervisor, action may begin at any step, and/or certain steps may be repeated or by-passed.

- **Verbal Reprimand:** Depending on the circumstances, the supervisor may verbally notify the employee that the employee's actions have been improper and warn the employee against further occurrences. The supervisor will prepare a record of the verbal reprimand including the date, time and what was discussed with the employee. This record must be forwarded to the Administrative Assistant for the employee's official personnel file.
- **Written Reprimand:** When a supervisor determines that a written reprimand is appropriate, the situation must be discussed with the Superintendent and/or Human Resources Officer. The reprimand should clearly identify the problem and outline a course of corrective action within a specific time frame. The employee should clearly understand both the corrective action and the consequence (i.e., termination) if the problem is not corrected or reoccurs. The employee should acknowledge receipt of the warning and may include additional comments. A copy of the written reprimand with the signed acknowledgement and comments must be forwarded to the Administrative Assistant for the employee's official personnel file.
- **Suspension:** Whenever an employee is recommended for suspension, the Executive Director will make the decision and may seek the advice of the Authority Attorney if appropriate. Suspended Employees may request a hearing under the applicable grievance procedure.
- **Dismissal:** Whenever an employee is recommended for dismissal, the Executive Director will make the decision only after seeking the advice of the Authority Attorney. There must be a complete review of the employee's personnel file and all other facts to

determine if there is sufficient cause for the dismissal. Terminated employees may request a hearing under the applicable grievance procedure.

Personnel File Procedure

The official personnel files shall be maintained by the Administrative Assistant and employee medical information will be maintained in a separate file. At least annually, the Administrative Assistant will review files to make sure they are up-to-date and will follow-up with the Department Heads as necessary.

The Official file shall include at least the following:

- The original application signed by the employee;
- Notes from any pre-employment interview and reference check;
- The original letter detailing an offer of employment and any additional correspondence concerning the employee's hiring;
- A signed acknowledgement that the employee received a copy of the Employee Complaint Policy letter;
- A signed acknowledgement that the employee has received the Employee Handbook;
- A signed acknowledgement that the employee received the safety orientation;
- Annual written performance evaluations including documentation that the evaluation was reviewed with the employee;
- Counseling Action Plans;
- Records relating to on-the-job accidents;
- Disciplinary actions including an acknowledgement that the employee was notified of the proposed disciplinary action and was given an opportunity to respond;
- Records relating to any other employment actions including promotions, demotions, transfers, resignations, leaves, etc.;
- Educational transcripts; and
- Any other pertinent information.

Employee Complaint Investigation Procedure

Employees have the right to formally or informally report any statement, act, or behavior by a co-employee, supervisor, elected official or visitor that they believe to be improper.

- **Reporting:** Employees should be asked to report complaints in writing utilizing the Employee Complaint form, but are not compelled to do so.
- **Identification/Screening:** The supervisor must report all written or verbal complaints to the Executive Director unless the complaint is against the Executive Director. Upon receipt, the Executive Director will determine if the complaint was made pursuant to the General Anti-Harassment Policy, the Anti-Sexual Harassment Policy, the Whistle Blower Policy, a grievance procedure or is another form of complaint. A file will be established including the written complaint, the investigation procedure followed and the response action plan. As soon as possible but no later than ten days after receiving the complaint, the Executive Director or investigator appointed by the Executive Director will interview the employee. If the employee is reluctant to sign a written complaint, the Executive Director or investigator will prepare written notes of the date, time and place of the complaint and the specific allegations. These notes will be read back to the employee who will be asked to affirm, preferably in writing the information's accuracy.
- **Investigation:** The Executive Director may seek the advice of the Authority Attorney when planning the investigation. The investigation should be conducted by the Attorney/ or county prosecutor if it involves potential criminal charges. The investigation should establish the frequency and nature of the alleged conduct and whether the complaint coincides with other employment events such as a poor performance evaluation. The investigation should also determine if other employees were subjected to similar misconduct. It is important to protect the rights of both the person making the complaint and the alleged wrongdoer.
- **Response Plan – No Corrective Action Required:** The Executive Director will review the conclusions with the Attorney if necessary and render a decision within fourteen days after the investigation is complete. If the validity of a complaint cannot be determined or the complaint is groundless, the complaining employee should be notified in writing. Care should be taken to avoid being too specific, confrontational or accusatory and to avoid any language that might be construed as defamatory. A general statement is usually more appropriate that the claim was thoroughly investigated, but could not be sufficiently documented or confirmed to justify taking formal action. The employee should be assured that future complaints will be investigated and that the Authority is committed to eliminating wrongful employment practices when they are found to exist. If the investigation reveals that the complainant intentionally and maliciously levied false charges against the alleged wrongdoer, the complainant must be notified of the seriousness of filing a false complaint, and the appropriate disciplinary penalty under the circumstances, up to and including termination.
- **Response Plan – Corrective Action Required:** If the investigation reveals that the complaint is justified and substantiated, the Executive Director will formulate with the

advise of the Attorney a corrective action plan as well as possible disciplinary action. The complaining employee will be notified, in writing that it appears that the complaint was justified and an appropriate response plan has been formulated. A copy of the response plan should be attached to the letter. The response plan should provide for appropriate remedial action to prevent a recurrence of the wrongful act or behavior.

Requests for Employment Verification and Reference Procedure

Inquiries and written requests for references or employment verification regarding a current or former employee must be referred to the Administrative Assistant. No employee may issue a reference letter without the permission of the Administrative Assistant. Under no circumstances should any information be released over the phone.

In response to a request for information, the Administrative Assistant will only verify an employee's name, dates of employment, job title, department and final salary. No other data or information will be furnished unless (1) the Authority is required to release the information by law or (2) the employee or former employee authorizes the Authority in writing to furnish this information and releases the Authority from liability.

Continuing Education Procedure

The Authority will arrange for employment practices seminars at least annually to train all managerial/supervisory personnel. The Authority will also offer non-mandatory training to all other employees with special emphasis on employee rights and protections under various Federal and State laws as well as Authority employment practices. Records will be maintained in the official personnel files of all employees trained under this procedure.

Managerial and supervisory personnel will also update employees periodically by department meetings and memos that should address specific problems and concerns that may arise. Every effort will be made to encourage employee suggestions about ways to avoid employer-employee disputes and violations of employment rights.

NOW, THEREFORE, in consideration of these premises, and of the mutual covenants and premises hereinafter contained, the OWNER and ENGINEER hereby agree as follows:

SECTION A – ENGINEERING SERVICES

The ENGINEER agrees to perform the various professional engineering services required for contract administration and resident inspection during the construction phase of the PROJECT. The ENGINEER agrees to serve as the OWNER's professional engineering representative in all phases of this project, including, but not limited to, meetings, construction inspection and contract administration, and reviews by authorized groups or agencies. The

SECTION 1 – GENERAL SCOPE OF SERVICES

1.1 Bidding

1.1.1 The ENGINEER shall furnish additional copies of plans, specifications, and contract documents, as required by prospective bidders, material suppliers, and other interested parties, but may charge said parties for actual cost of such additional copies. The OWNER shall advertise for receipt of bids and shall award the Contract based on the Engineer's recommendations. Upon award of the Contract, the ENGINEER will furnish the OWNER five sets of plans, specifications, and Contract Documents for execution; the cost of these sets being included in the basic compensation paid to the ENGINEER and shall assist the OWNER in preparation of the formal contract documents for award of the contract as necessary.

1.1.2 The ENGINEER shall coordinate and administer a pre-bid meeting and site walkthrough with prospective bidders.

ENGINEER shall not be required to make exhaustive on-site inspections to check the quality or quantity of such work. ENGINEER shall not be responsible for the means, methods, techniques, sequences, or procedures of construction selected by contractors or the safety precautions and programs incident to the work of contractors. Based on his on-site observations as an experienced and qualified design professional, and on his review of contractor's periodic applications for payment and supporting data, the ENGINEER shall determine, as often as necessary, the amount owing to the contractor and certify, in writing, to the OWNER whether payment is due to the contractor in such amounts. Such certificates for payment shall constitute a representation to the OWNER, based on the ENGINEER's observations and review, that the work has progressed to the point indicated and that, to the best of his/her knowledge, information and belief, the quality of work is in accordance with the Contract Documents. By issuing certificate of payment, the ENGINEER shall not be deemed to represent that he has made any examination to ascertain how or for what purpose the contractor has used the monies paid or the amount of the contract sum.

3.4 Guarantee access to property and make all provision for the ENGINEER and to public and private lands as required for the ENGINEER to perform the services under this Agreement.

3.5 Examine all sketches, opinions of the construction cost, and other documents presented by the ENGINEER to the OWNER and render, in writing, the OWNER's decision pertaining thereto within a reasonable time from the date of the ENGINEER's request so as not to delay the work of the ENGINEER. If any delays by the OWNER beyond a reasonable time do occur, the ENGINEER shall be granted a suitable extension of time for the completion of the work with the extent of the delay.

3.6 Hold all required meetings, serve all required public and private notices, and set properly upon all matters not the responsibility of the ENGINEER, but necessary to development of the project, and pay all costs incidental thereto.

WITNESSETH, whereas it is the intention of the OWNER to engage the services of the ENGINEER to undertake and complete necessary and essential professional engineering services in connection with contract administration and resident inspection for the 2016 WASTEWATER TREATMENT PLANT IMPROVEMENTS – CONTRACT NO. 273 (Project No. S340700-16), hereinafter referred to as the "PROJECT" at the Authority Wastewater Treatment Plant in Waldwick for the OWNER; and

NOW, THEREFORE, in consideration of these premises, and of the mutual covenants and premises hereinafter contained, the OWNER and ENGINEER hereby agree as follows:

SECTION A – ENGINEERING SERVICES

The ENGINEER agrees to perform the various professional engineering services required for contract administration and resident inspection during the construction phase of the PROJECT. The ENGINEER agrees to serve as the OWNER's professional engineering representative in all phases of this project, including, but not limited to, meetings, construction inspection and contract administration, and reviews by authorized groups or agencies. The ENGINEER shall give consultation and advice to the OWNER during the performance of his services and shall assist the OWNER in the preparation of applications and supporting

documents for governmental loans or advances in connection with the Contract.

SECTION 1 – GENERAL SCOPE OF SERVICES

1.1 Bidding

1.1.1 The ENGINEER shall furnish additional copies of plans, specifications, and contract documents, as required by prospective bidders, material suppliers, and other interested parties, but may charge said parties for actual cost of such additional copies. The OWNER shall advertise for receipt of bids and shall award the Contract based on the Engineer's recommendations. Upon award of the Contract, the ENGINEER will furnish the OWNER five sets of plans, specifications, and Contract Documents for execution; the cost of these sets being included in the basic compensation paid to the ENGINEER and shall assist the OWNER in preparation of the formal contract documents for award of the contract as necessary.

1.1.2 The ENGINEER shall issue any contract clarifications and/or addenda as necessary to address any pre-bid requests for information submitted by prospective bidders.

1.1.3 The ENGINEER shall attend the bid opening and tabulate the bid proposals, make analysis of bids, and make recommendations for awarding contracts for construction.

1.2 Contract Administration and Resident Inspection

1.2.1 The ENGINEER shall provide general communication with OWNER and contractor throughout the duration of the construction regarding such issues as progress, submittal status, construction issues and their resolution where necessary, and prepare monthly progress reports as necessary.

1.2.2 The ENGINEER shall provide communication and correspondence with the New Jersey Department of Environmental Protection (NJDEP) where necessary and maintain project files as required for periodic inspection by the NJDEP.

1.2.3 The ENGINEER shall coordinate and attend job meetings with the contractor, OWNER, inspection staff and applicable outside agencies including the pre-construction meeting. The ENGINEER shall establish a meeting agenda and issue meeting minutes of the meeting.

1.2.4 The ENGINEER will check and approve any necessary shop and work drawings for proposed material and equipment to verify conformance with the contract documents, as well as, progress schedules, schedule of submittals, and the schedule of values, if applicable, required

to be submitted by the contractor and review laboratory, shop and mill test reports of materials and equipment where necessary.

1.2.5 The ENGINEER shall provide horizontal and vertical control for all structures in the form of benchmarks or reference points to be used by the contractor in staking the construction.

1.2.6 The ENGINEER shall respond to requests for information, review claims and change orders and provide responses as needed, resulting from the actual field conditions encountered.

1.2.7 The ENGINEER shall endeavor, when performing the services set forth in this agreement, to observe as an experienced and qualified design professional, the progress and quality of the executed work of contractor(s) and to determine, in general, if such work is proceeding in accordance with the Contract Documents. ENGINEER shall not be required to make exhaustive on-site inspections to check the quality or quantity of such work. ENGINEER shall not be responsible for the means, methods, techniques, sequences, or procedures of construction selected by contractors or the safety precautions and programs incident to the work of contractors. ENGINEER's efforts will be directed toward providing a greater degree of confidence for the OWNER that completed work of contractor will conform to the contract documents, but the ENGINEER shall not be responsible for the failure of the contractors to perform the work in accordance with the Contract Documents. During such visits and on the basis of on-site observations, the ENGINEER shall keep the OWNER informed on the progress of the work, shall endeavor to guard the OWNER against defects and deficiencies in such work, and may disapprove or reject work failing to conform to the Contract Documents.

1.2.8 Whenever the ENGINEER considers it is necessary or advisable to ensure the proper carrying out of the intent of the Contract Documents, the ENGINEER shall notify the OWNER of any necessity to stop work or require special examinations or testing of the work (whether fabricated, installed, or completed), and if the OWNER so directs, the ENGINEER shall act as the OWNER's representative as to the same.

1.2.9 The ENGINEER will review requisitions submitted by contractors for progress and final payments. Based on his on-site observations as an experienced and qualified design professional, and on his review of contractor's periodic applications for payment and supporting data, the ENGINEER shall determine, as often as necessary, the amount owing to the contractor

and certify, in writing, to the OWNER whether payment is due to the contractor in such amounts. Such certificates for payment shall constitute a representation to the OWNER, based on the ENGINEER's observations and review, that the work has progressed to the point indicated and that, to the best of his/her knowledge, information and belief, the quality of work is in accordance with the Contract Documents. By issuing certificate of payment, the ENGINEER shall not be deemed to represent that he has made any examination to ascertain how or for what purpose the contractor has used the monies paid or the amount of the contract sum.

1.2.15 The ENGINEER will prepare a set of Record Drawings showing those changes made during the construction process, based on the marked-up prints, drawings and other data furnished by Contractor(s) to ENGINEER and which ENGINEER considers significant. One set of reproducible prints of the Record Drawings will be furnished to the OWNER.

The remaining portion of the Agreement not declared illegal, invalid or unenforceable shall, in any event, remain valid and effective for the term remaining unless the provision found illegal, invalid or unenforceable goes to the essence of this Agreement. Either party has the right to terminate this contract, for any reason whatsoever, upon 30-business day's notice by the terminating party.

FORCE MAJEURE

In no event shall PROVIDER have any responsibility or liability to MUNICIPALITY for any failure or delay in performance by PROVIDER which results from or is due to, directly or indirectly and in whole or in part, any cause or circumstances beyond the reasonable control of PROVIDER.
