

## Fee Schedule

The following rates and fees have been set forth during a public hearing and can only be adjusted as a result of a public hearing:

- Hauler shall provide NBCUA with \$1,000.00 deposit, as security for payment of bills, prior to the first delivery of septage to NBCUA. This deposit shall be non-interest bearing and shall be waived for communities having a Service Contract with the Authority.
- Hauler shall pay a non-refundable permit fee of \$300.00 to NBCUA prior to the first delivery of waste. This non-refundable permit fee is due the first of each year.
- Hauler agrees to pay the following rates to NBCUA for NBCUA's acceptance of waste from Hauler:
  - a. For Greywater with a maximum of 2.6% solids;
    - \$38.30 per 1,000 gallons.
  - b. In the event the water the Hauler delivers has a solid content in excess of 2.6% solids, the Hauler will be charged the following:
    - i) Waste with a solid content exceeding 2.6% but not greater than 4% solids shall be considered septage and charged:
      - \$0.0592 per gallon.
    - ii) Waste with a solid content exceeding 4% but not greater than 7.9% solids shall be considered sludge and charged:
      - \$0.0796 per gallon.
    - iii) Waste with a solid content exceeding 7.9% but not greater than 12% solids shall be considered sludge and charged:
      - \$0.1040 per gallon
- Hauler shall be billed monthly for the deliveries made during that month. Bills shall be due and payable upon receipt of same by Hauler. In addition to all other remedies provided by law and this Agreement, if any bill remains unpaid for an excess of seven (7) days, interest shall be charged at the rate of 1 ½% per month from the date of the bill.
